

Acme 50

Unmatched flexibility. Undeniably inspiring. Seamless glass walls that distinctively define your space.

Acme 50

A clean, seamless glass wall, Acme 50® defines space while maximizing daylight in workspaces. A slim profile with steel construction allows for solid architecture with a minimalist aesthetic.

- European styling with North American logistics
- various butt glazed joint options
- powder-coated 18-gauge steel construction with narrow 1 1/2" rails and stiles
- 1 1/2" total adjustability
