Conditions of Sale

Reference to INSCAPE shall include INSCAPE Systems, except as specifically excepted and noted.

Order Placement and Order Confirmation

All orders with INSCAPE must be placed in writing or electronically by the purchaser. Verbal orders are not accepted. All orders must be accepted and confirmed by INSCAPE in writing to be valid. INSCAPE manufactures, delivers and invoices based on the information in such written confirmation ("the Order Confirmation"). INSCAPE provides Order Confirmation by mail and/or facsimile. It is the purchaser's responsibility to advise INSCAPE of any information in the Order Confirmation that is incorrect within five (5) working days of receipt thereof, after which such Order Confirmation shall be deemed to be correct. The Order Confirmation, together with these Terms & Conditions, is intended and agreed by the purchaser to be the complete, exclusive and final statement of all terms and conditions of agreement between INSCAPE and the purchaser with respect to the purchase and sale of any INSCAPE product. No other terms and conditions shall apply to this agreement unless specifically agreed to in writing by an authorized officer of INSCAPE.

Prices

All pricing (list, discounted, net, or otherwise) is for product only and is subject to change without notice. Without limiting the generality of the foregoing, prices do not include storage, insurance, taxes, local delivery or installation. Freight costs, except for freight charges, are included as set forth herein. Following freight surcharge applies to all orders.

\$ Net Order Value	USA East*	USA West*
<\$1,500	\$150	\$250
\$1,500 to \$5,000	3% of order value	5% of order value
>\$5,000	1% of order value	1% of order value

* The USA West is defined as the States of Washington, Oregon, California, Montana, Idaho, Nevada and Arizona. The USA East is defined as all other contiguous US States.

Minimum Order

All orders are subject to a minimum net charge of \$50.00.

Title and Freight

All product shipped F.O.B. INSCAPE's factory in Holland Landing, Ontario or Falconer, New York depending on where the product is manufactured. Title to any product ordered and any risk of loss shall pass to the purchaser once delivered by INSCAPE to the carrier.

Subject to the various requirements and terms for shipping contained herein, freight costs, except freight surcharges, are prepaid and allowed to all points within the contiguous United States. In Canada, freight costs, except freight surcharges, are prepaid and allowed to Toronto, Montreal and Ottawa, only. Outside Canada and the

contiguous United States, freight is not included.

Payment

INSCAPE invoices all orders in the currency indicated on the Order Confirmation. Payment must be made in this same currency and may be made by check or wire transfer.

Subject to credit approval, INSCAPE's standard payment terms are net 30 days from the invoice date. In cases where an order is placed with INSCAPE that puts an account over its assigned credit limit with INSCAPE, payment terms will be established at the time of order. Where credit terms have not been established, payment in full must be received at time of order placement. In all cases, the payment terms will be governed by the terms indicated on INSCAPE's Order Confirmation.

Delinquent accounts are subject to a 1 1/2% per month charge or the largest amount permitted by law, whichever is less. INSCAPE reserves the right to delay or cancel any shipment where an account is delinquent.

Change and/or Cancellation of Order

As INSCAPE products are made to order the procurement and production processes begin well in advance of shipment. Therefore, requests for order changes or cancellations must be evaluated and approved by INSCAPE.

If a request is approved a cancellation change fee will apply and the delivery date may be adjusted. The fee will be determined by Customer Service and will be a percentage of the total order value. Please refer to the following chart as a guideline only:

Business Days before Acknowledged Ship Date	1-10	11-15	16-20	21 or greater
% of Total Order Value	100%	75%	50%	25%

Some order changes or cancellations may not get approved such as the following:

- Specials (not standard product).
- Special finishes including non standard paints.
- Long lead time finishes such as veneers.
- Orders requesting less than standard lead times.

When order changes or cancellations are not approved, 100% of the acknowledged order value will be charged.

All requests must be in writing by completing the Change Order Form, available on INSITE, and sent back to Customer Service. Inscap will review the request and if approved, will fax back the completed form, indicating applicable charges. The requestor is required to sign the form and return it to INSCAPE to acknowledge their acceptance.

Note that any change will be rescheduled and a new ship date will be determined.

Conditions of Sale

Specifications

All product specifications in INSCAPE's literature reflect product specifications in effect at the time the literature was published.

INSCAPE reserves the right to modify product and change product specifications at any time without notice.

Orders Involving Customer's Own Material ("COM")

Use of any COM must be approved by INSCAPE by an Application Test prior to acceptance of order. INSCAPE requires sample fabric to assess whether the material is suitable for manufacturing on INSCAPE product. Panel fabrics that have stain retardant or do not meet UL requirements will not be approved nor accepted by INSCAPE and their adhesion will not be warranted. INSCAPE does not warranty any COM and assumes no responsibility for the appearance, durability, colorfastness or performance of any COM. Additional charges for certain COM materials may apply.

All COM supplied to INSCAPE must be and is assumed to be accurately manufactured, free of defects, production ready and identical to the sample fabric provided for the Application Test and does not warrant any fabric nor its adhesion if it is not. Color, style and quantity of COM supplied to INSCAPE are assumed to be correct. INSCAPE cannot be held responsible or liable for any inaccuracy or defect in the COM. Any delay in production due to an inaccuracy or defect and any additional costs which may result are the full responsibility of the customer.

All COM material must be shipped prepaid to INSCAPE with the following information clearly marked on the shipment:

- Name of the upholstery, design and color
- Total yardage provided for each material
- Customer's name
- Purchase order number
- COM approval number.

Orders, involving COM, will only be released and scheduled for production once all COM is on hand in sufficient quantity. INSCAPE is not liable for and will dispose of any excess COM yardage.

Shipping

Dates: All Order Confirmations contain an estimated shipping date(s). This date(s) is approximate only and not guaranteed. INSCAPE shall in no way be liable to the purchaser or end user for any delays in meeting the estimated shipping date(s).

Method and Carrier: INSCAPE reserves the right to select the method of transportation and carrier of choice for any shipment.

Deferral and Storage Terms: The purchaser shall have 2 hours to off load a standard full load and 1 hour for an LTL. Waiting time charges shall apply afterwards. Where purchaser is unwilling or unable to accept delivery of any product that is permitted to be shipped by INSCAPE under the terms of this agreement, such product will be transferred into third party storage. Where the dealer or customer has not designated a storage site,

INSCAPE will transfer the goods to a location of its choice. Purchaser will be responsible and billed for any direct and related costs for such storage. INSCAPE shall not be liable for any damage or risk of loss incurred on product transferred into storage. Any product transferred into storage shall be deemed to constitute good delivery of such product by INSCAPE, whereupon INSCAPE shall have the right to invoice purchaser for such product as of the shipping date.

Drop Shipments and Docking Requirements: Except as provided in this paragraph, INSCAPE requires that all product be shipped only to the dealer's dock and that such docking facilities be equipped to handle a 53' tractor-trailer with appropriate personnel to offload the truck. Neither INSCAPE nor the carrier are responsible for offloading product from the truck.

In cases where INSCAPE determines that an order or portions thereof represent sufficient product to account for a complete trailer load, INSCAPE may agree, if requested by the purchaser, to ship directly to an end user, provided that the end user has the proper docking facilities and personnel to offload the truck as set forth above. Any portion of such order that is less than a trailer load quantity will be delivered to a dealer's warehouse, as stated above.

Product that cannot be delivered as a result of failure by the dealer or end user to meet the above requirements will be delivered to a warehouse, with redelivery at the purchaser's expense.

Freight Damage Claims: All INSCAPE products are carefully inspected prior to shipping and are packaged according to International Safe Transit Association (ISTA) standards. As such, purchaser is advised to examine the goods upon receipt as INSCAPE is not responsible for damage to goods that occur in transit or storage. In addition, Purchaser is advised that it must notify and file claims of any concealed damage to the product in accordance with the carrier's terms and conditions. In most cases, the carrier's requirements will include notification of any claims relating to concealed goods within 5 days of delivery and that a formal freight claim must be filed with the carrier within 60 days of delivery. In addition, most carriers require that all packaging be retained and available for inspection and the goods left at the original delivery point. Terms and conditions do vary from carrier to carrier and the purchaser is advised to consult with the carrier directly for details.

Factory Claims: Claims against INSCAPE, other than valid warranty claims, must be made in writing within 5 days after delivery, irrespective of whether product remains concealed at the delivery site. INSCAPE shall not be liable for any non-warranty claims, including but not limited to shortage claims, that are made after 5 days from the date of delivery.

Requests for Special Shipping or Handling: INSCAPE will make every effort to accommodate any special shipping or packaging requests, provided that INSCAPE reserves the right to charge purchaser with any direct or

Conditions of Sale

indirect costs associated with meeting such requests if they go beyond INSCAPE's standard procedures.

Shipping Weights and Cubic Dimensions: All shipping weights and cubic dimensions, if provided by INSCAPE, are approximate.

Limited Lifetime Warranty

In accordance with INSCAPE installation and application guidelines, INSCAPE provides a limited lifetime warranty to the original user on all INSCAPE products installed by an INSCAPE authorized installer.

The warranty extends to defects in material and workmanship in INSCAPE product. INSCAPE will repair, or at its option, provide comparable product, free of charge, products or parts proven to be defective within the warranty period. Provided that this warranty does not apply to:

Product that is damaged during shipment, installation or storage; Product that is damaged by the user as a result of accident, misuse, alteration, tampering, negligence, or abuse; Product that is not installed, used or maintained in accordance with INSCAPE's published guidelines; Products that have had safety devices, warnings or operating instructions on the product moved, removed or altered; Product that has in any way been altered, modified or substituted without INSCAPE's prior written consent and approval; Any material provided by the customer for the product (i.e. COM); Normal wear and tear; Claims and returns that are not made in accordance with INSCAPE claims and returns procedure outlined below; or parts or components not manufactured by INSCAPE, in which case the warranty is limited to the warranty that INSCAPE receives from the manufacturer of the defective part or component.

In addition, and without limiting the generality of the foregoing, INSCAPE's warranty is subject to the following specific limitations and exclusions: Fabrics and veneer components are warranted for a period of 5 years from the date of delivery; Non-standard products ("Specials") are warranted for a period of 1 year from date of delivery; Electrical components are limited to a warranty period of 10 years from date of delivery; Moving parts such as height-adjustable worksurface mechanisms and keyboard arms are warranted for a period of 5 years from date of delivery; Light bulbs, ballasts, fluorescent tubes and glass do not carry a warranty; The warranty does not cover variations in natural materials, color match, grain or texture beyond commercially acceptable standards; Incidental wear and tear to surface finishes including scratches and dents or fading of paint finishes and veneers; Any claims relating to defects in workmanship should be reported, in writing within 30 days of detection. The warranty does not apply to local code requirements other than UL, CSA and ANSI/BIFMA standards, which are the purchaser's and/or end user's responsibility to confirm; Claims for fabric defect must be made within 30 days of the date that the product is delivered.

Claims and Returns Procedure

INSCAPE product may only be returned with INSCAPE's prior written authorization, whether or not such product is under warranty. All requests to return product must be made in writing to INSCAPE and include a description of the product, the reason for the return request, proof that the user is the original user, and evidence of the date that the product was originally delivered. No returned product will be accepted by INSCAPE without its prior written consent. Except in instances involving a valid warranty claim, returned product will be subject to shipping, handling, restocking and restoration charges.

General Limitation on INSCAPE Liability

The warranty provisions contained herein represent the purchaser's and end user's sole remedy against INSCAPE for product defect. No other express or implied warranty is provided by INSCAPE. Without limiting the generality of the foregoing, INSCAPE makes no warranty as to fitness of purpose, use, or merchantability.

INSCAPE shall in no way and under no circumstances be liable for any incidental, economic, consequential, or exemplary damages.

Governing Law

All orders and purchases of INSCAPE products shall be governed in all respects by the laws of the State of Delaware.

Desking with Steel Base

General Information

Desks, returns, bridges, and corners are sold as complete units and shipped knock-down. All units are connected using special aluminum extrusions attached to modesty panels and gables. Extrusions are finished in the same finish as the base.

Base

Modesty panels are 20 gauge formed steel and feature single wall construction. Full modesty panels extend the complete height of the desk. Half modesty panels are spaced up off the floor by 15". Modesty panels on 36" deep desks are recessed to provide a 6" overhang.

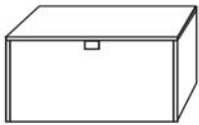

Optional embossed pattern on modesty panels for Rectangular desks and Bow Top desks.

End gables and inline gables are 1" formed steel and feature double wall construction. Gables are 20 gauge steel, reinforced with 18 gauge channels.

Grommets

Modesty panels can be specified with one 3 3/4" x 1 3/4" grommet horizontally centered 1/4" below the worksurface. Corner units specified with grommet would include two (1 per modesty panel). Grommets are not available when embossed pattern is selected.

If Modesty grommet is required add 'GM' after code and add \$27 per grommet. **Remember** to add \$54 for corner units.

Inline gables on corner units and bullet top desks come standard with grommets.

Optional worksurface grommets are available for field installation.

Cable Management

Cable management tray can be ordered separately and fastened to the underside of the worksurface.

Hardware

All connecting hardware required for assembly is included.

Glides

Desks are standard with hex base glides. Glides allow 1 1/4" height adjustment.

Pedestals

Refer to Office Specialty Filing & Storage Solutions Price List to order pedestals for desks. **Anti-tip bracket must**

be attached on top of pedestals. Refer to page B-1 (DBKT). Specify each separately.

Rectangular Desk

Desks consist of worksurface, two end gables, full or half modesty panel, and connecting hardware. A transition extrusion is included for attaching the desk to a return or bridge. Can be used as freestanding units. Modesty panels on 36" deep desks are recessed to provide a 6" overhang. Units are shipped knock-down. **Note:** Do not attach to corner or bullet top desk.

Return

Returns consist of worksurface, end gable, full or half modesty panel, and connecting hardware. Returns are handed. Units are shipped knock-down. **Note:** Must be attached on one side to desk, corner or bullet top desk.

Bridge

Bridges consist of worksurface, full or half modesty panel, and connecting hardware. Units are shipped knock-down. **Note:** Must be attached on both sides to desk, corner or bullet top desk.

Radius Corner

Radius corners consist of worksurface, two inline gables, two full or half modesty panels, corner extrusion, and connecting hardware. Units are shipped knock-down. **Note:** Must be attached on both sides to return or bridge.

Split-Level Corner

Split-level corners consist of worksurface with adjustable keyboard support, two inline gables, two full or half modesty panels, corner extrusion, and connecting hardware. Units are shipped knock-down. **Note:** Must be attached on both sides to return or bridge.

Bullet Top Desk

Bullet top desks consist of worksurface, full or half modesty panel, 12" end gable, inline gable, post leg and connecting hardware. Bullet top desks are handed. Units are shipped knock-down. **Note:** Must be attached on one side to return or bridge.

Service Module

Service module consists of a bin mounted on supports. The bin is fabricated from minimum 20 gauge steel with horizontal reinforcing channels. Support consists of two aluminum extrusions and tackboard. Tackboard is 1/2" thick fibre glass with fabric lining on the front and 20 gauge sheet metal backing. Service Module mounts on desks. Mounting hardware is included. Order Service Module to match width of work-surface(s) it covers. 60" and 72" wide Service Modules consist of two 30" and 36" wide overhead bins. Units are standard with one grommet located below the bin in the back panel. Vertical clearance between desk top and underside of bin is 20". Bins accept sliding dividers.

Desking with Steel Base

Tackboard fabric on 60" and 72" wide service modules will be railroaded.

Specify tasklights from Platform price list for service modules. Overhead bins accept Bin/Shelf mounted tasklights (TKL-13) or Horizontal Bin/Shelf mounted tasklights. When specifying horizontal tasklights specify task light 6" smaller than overhead. For example, specify 30" tasklight (TKL-VT-30) for 36" bins.

Support Brackets

Refer to Systems Storage price list for brackets for panel mounting application.

Lock Option

Service Module bins come standard with lock. If lock is not required add suffix 'NL' after code and deduct \$43 for each overhead bin.

Finishes

Worksurfaces are available in Nuform Woodgrain and Veneer finishes. Bases are available epoxy powder-coated in a smooth or textured finish.

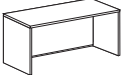

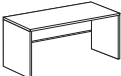

Bin cases are available in standard and textured finishes. Bins feature an aluminum finished handle.

Service Module is available in standard and textured finishes.

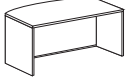

White or extremely light colored COM fabrics will incur an upcharge of 25% to the tile pricing with which the fabric is being applied. This is due to special handling of the fabric and tiles, in addition painting of the tiles.

Refer to finishes section.
