

## Junior Manufacturing Engineer

*Holland Landing*

### About Us

Inscape has supported the evolution of the workspace since 1888. A versatile portfolio of systems, storage, walls and seating products addresses the diverse needs of today's office with solutions that stand the test of time – built to last and inherently flexible. Dedicated to delivering innovative solutions with care and expertise, Inscape is here to help you make life at work better.

### About the Role

The Junior Manufacturing Engineer develops and maintains methods to ensure the manufacturing of a quality product at a minimum cost. This role must support production by working closely with the Manufacturing Engineers and the plant to ensure the proper coordination of projects and optimization of MDF wood.

### Primary Tasks & Responsibilities

- Optimization of MDF wood.
- Investigate and analyze new and/or existing products and processes for the ability to meet production and performance requirements.
- Develop project plans for assigned initiatives which include, scope, return on investment, timelines, status reporting & management updates, change notices.
- Develop and maintain methods and standards to ensure the manufacturing of quality products at minimum cost.
- Project management as related to general manufacturing engineering projects.
- Assist in the development and control of budgets for projects

### Knowledge, Skills, Abilities & Education

- College diploma or university degree in engineering or equivalent field experience.
- General manufacturing knowledge and process development.
- Excellent interpersonal, written and verbal communication skills.
- Ability to work well with multiple people across multiple departments.

If you have the qualifications for the above position and are interested in joining a team oriented progressive company with excellent benefits, please submit your resume for consideration to [careers@inscapesolutions.com](mailto:careers@inscapesolutions.com).

We thank all applicants for their interest, but advise that only those selected for an interview will be contacted.
