

# Arrivals Bench

## Ready for change.

Arrivals Bench supports the changing office landscape with diverse applications for more casual workplaces. Based on the strong foundation of Inscape's core bench product, Arrivals Bench's natural material options help create warmer, more comfortable spaces. Divider screens, freestanding tables and wood elements offer more planning possibilities for open environments. Arrivals Bench was honored with a 2017 Gold Best of NeoCon award.

- Built on Inscape's renowned system platform for high performance
- Universal connector allows diverse planning options and simplifies inventory management
- Unique ability to add height adjustability after installation
- Aesthetic integrates with our Arrivals Wing and Table collections
- BIFMA level® 3, FSC®, SCS Indoor Advantage Gold certified
