

FOR IMMEDIATE RELEASE

Inscape's RockIt Light Scale Bench Available for Orders

Simple in its design, yet powerful in its capabilities.

October 18, 2018 – Inscape announces the RockIt light scale bench is available for orders. Introduced at NeoCon 2018 to rave reviews, RockIt supports change, personalization & wellbeing in the most demanding environments. RockIt is built for customers looking for furniture with clean visual lines, yet includes all of the functionality and capabilities of high-powered benching platforms. Visually striking, RockIt offers a level of flexibility and endless adaptability never seen before in its category.

One of the most innovative features of RockIt is the patent pending, integrated SkyRockIt height-adjustable mechanism that virtually disappears from the side profile without any unsightly extra legs. Height adjustability can be easily added to any worksurface, enabling freedom of movement without compromising design.

RockIt's perfect balance of modern design and sophisticated materials enable Industrial Chic, Mid-Century Modern or even traditionally conservative environments. Visually light with authentic wood design details, RockIt brings simplicity, beauty, tranquility and a sense of calmness through its use of finishes and materials.

Engineered with a compact spine and a canted universal leg, RockIt was designed with maximum stability, durability and quality in mind. User adjustable accessories, storage and privacy screens simply click, hang or pop in or out of place on a multipurpose channel in the frame and hip. Convenient power access and integrated height adjustability enhance productivity and wellbeing.

RockIt is BIFMA level® 3 and SCS Indoor Advantage Gold certified.

About Inscape

Inscape is all about adaptability through simplicity. We have been saying yes since 1888 with a versatile portfolio of systems, storage and walls products that are adaptable and always built to last. With a wide dealer network, showrooms in both Canada and the U.S., and full service and support for all of our clients, our philosophy is to always do what we can to say Yes.
