

FOR IMMEDIATE RELEASE

Inscape Opens New Washington, DC Showroom

Showroom showcases solutions for today and five years from today

November 13, 2018 – Inscape announces the opening of its new Washington, DC showroom. Located at 1090 Vermont Avenue NW, Suite 1101, Washington, DC 20005, the showroom brings beauty and functionality together to create environments that inspire.

On the 11th floor, flooded with natural light offering views of the historic downtown core of Washington, DC, this space represents everything Inscape. Drawn to its authentic character and the way the light plays through the windows, the space embraces Inscape’s furniture designs and creates an inspiring environment.

Inscape’s influences are apparent throughout the space; a dedication to the evolution of the workplace delivering high performance environments in an innovative and intelligent way. Drawing inspiration from the concept of Biophilia – humans’ inherent need to connect with nature – natural elements highlight the furniture vignettes connecting the spatial experience. Inscape’s glass wall systems define and give structure to the different rooms and meeting spaces, maximizing light and offering architectural details.

To support the expansion of our business in the Washington, DC area, Inscape announces the appointment of **Zach Mowers** as A&D Market Manager. Zach has held sales roles in contract interiors and worked closely with the Architectural and Design community for over seven years. Zach joins **Bethany Naro**, Director of Sales, Mid-Atlantic and **Kristina McClimans**, Workspace Design Specialist. Showroom tours can be booked by emailing wshow@inscapesolutions.com

About Inscape

Inscape is all about adaptability through simplicity. We have been saying yes since 1888 with a versatile portfolio of systems, storage and walls products that are adaptable and always built to last. With a wide dealer network, showrooms in both Canada and the U.S., and full service and support for all of our clients, our philosophy is to always do what we can to say Yes.
